About the blog

Basically, a blog is a list of comments, questions, or feedback from different users. The blog is often called "discussion" or "forum". It is a place where users can communicate with each other and share their thoughts. The blog is often used to discuss the content of the page and to provide feedback. The blog is often used to discuss the content of the page and to provide feedback. The blog is often used to discuss the content of the page and to provide feedback.

Adding the blog to a page

If you want to include a new blog on another page of your wiki, for example your homepage, you need to insert the necessary code into the source code of your page.

Transclusion

Transclusion: Transclude a page into a page

Vertically centered

The box content is centered vertically and the title has no margin.

Box with padding

This box container has some padding around the content.
Try out 2 or 3 lines as well.

Box without padding

This box container has no padding but there is padding around the text.
Try out 2 or 3 lines as well.

Box without image

A banner can be text-based as well. Just don't add an image.
