

Template:Box Note

This template creates different types of info boxes on a page. Based on the box type, the label and the color scheme are selected.

The template files (*Template:Box Note* and *Template:Box Note/styles.css*) can be downloaded as part of the [template package](#).

Note: This is a note.

Tip: This is a tip.

Example: This is an example.

Warning: This is a warning.

Important! This is important.

This is a box without label.

Info box examples

To add standard infoboxes such as notes or related links to a page
