

Manual:Extension/BlueSpiceSocialProfile

A [quality version](#) of this page, [approved](#) on *17 July 2020*, was based off this revision.

BlueSpiceSocialProfile provides the SocialEntity of type profile. Furthermore, the user page is converted into a complete user profile.

User profile info

The first part of the profile page contains elements related to the user's profile info.

The screenshot shows a user profile for 'WikiSysop'. At the top, it says 'Last edited 1 second ago by WikiSysop' (callout 1) and 'Unwatch' (callout 2). Below this is a profile box containing a user image (callout 4) and a table of profile data (callout 3). The table lists: Name (WikiSysop), Department (IT), Function (Systems administrator), Location (Regensburg), Telephone (+49 (0)941 660 800), and Company name (Hallo Welt! GmbH). To the right of the table is an 'Actions' menu (callout 2) with options: Edit, Userimage, and Profile data. Below the profile box is a description (callout 5): 'Multi-certified (MCSE, MCSA, RHCE) systems administrator with strong experience managing server infrastructures and data-center operations across Unix, Linux, Windows and Mac OS X platforms. Effectively plan, install, configure and optimize IT infrastructures to achieve high availability and performance.'

Name	WikiSysop
Department	IT
Function	Systems administrator
Location	Regensburg
Telephone	+49 (0)941 660 800
Company name	Hallo Welt! GmbH

(1) **Watchlist:** The profile page is by default on the user's watchlist to send notifications about any changes to the page.

(2) **Actions menu:** In the edit menu, users can edit their profile description (5) below their profile picture, update their user image and enter their profile data (3).

(3) **Profile data:** Users can enter their profile details, such as department and phone number.

(4) **User image:** The user image can be uploaded from the actions menu. For users without a user image, an [avatar](#) image is displayed instead.

(5) **Description:** The edit link in the Actions menu allows to edit the page content itself. This content is displayed directly below the profile box.

Social timeline

Below the user profile information, a timeline of the user contributions is shown in the form of social entities. A filter allows all users to change what types of actions are displayed in the list.
