Page of

Skins

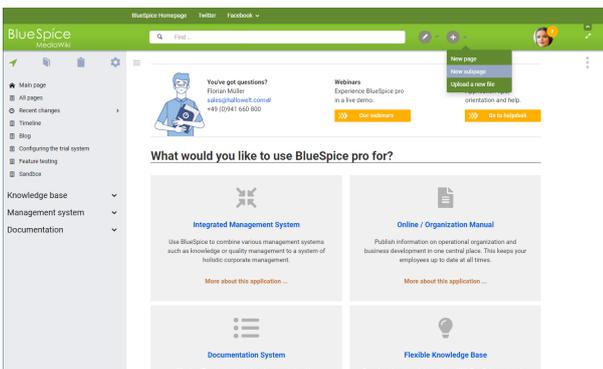

Click on an image to enlarge it. Click on the associated "CSS Code" link to see the code for the skin variation. You can download the matching BlueSpice logos here: white, steel, duotone. You can integrate the logo using the [Config manager](#) (menu item *User interface*) after uploadign the logo to your wiki.

Duo\-tone

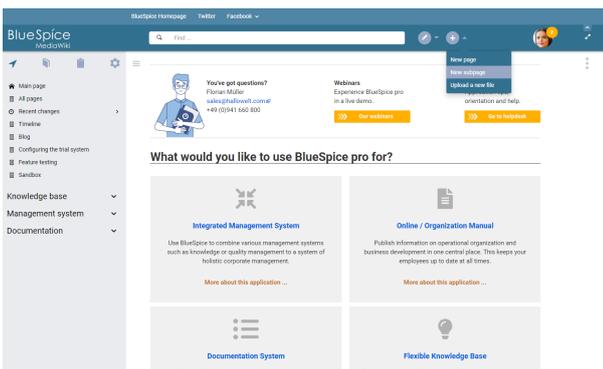

The duo-tone is created by harmoniously matching the colors of both top bars.

Company goals

In business terms, company goals are defined as all goals on which entrepreneurial activity is based. Company goals are thus the basis for all business activities. A company goal is a desired state that is to be achieved through economic decisions. A company's annual goals depend on various factors, e.g., the likely market conditions.
