View help page			

Features

BlueSpicePageAccess allows only a certain user group access to the page.

Usage / features

The restriction is achieved by inserting the tag *pageaccess* on a page. Access restriction per page is done on a group basis. "Access" here means all actions, including read and edit.

Technical information

Configuration

This extension offers no configurations.

Rights (permissions)

Users must have the *pageaccess-viewspecialpage* permission to restrict access. By default, this permission is included in the roles *admin*, *maintenanceadmin*, and *structuremanager*.

Requirements

PageAccess requires [BlueSpiceFoundation](#).
