Features

What is PageAssignments?

- The extension PageAssignments allows you to assign responsible editors to an articles.
- An article can be assigned one single user, multiple users or even an entire group.
- The responsible editor(s) for the particular article can be viewed in the status bar of an article.
- The user assigned to the article can transfer the responsibility to another user.
- Users / groups are informed about all changes to the site and receive special permissions.
- A special page on the wiki (Special:PageAssignments) shows a list of all the articles that you are responsible for.
