Features

Technical background

Special page that describes and enables RSS-Feeds for chosen areas of the MediaWiki.

Where do I find RSSStandards?

Go to special pages. You will find the special pages linked in the left navigation under "tools" or in the widget bar (star symbol on the right side). It's also possible to use `Special:Special pages` in the URL of the browser. Under the item "BlueSpice" you will find the special page "RSSFeeder". Alternatively you can type `Special:RSS_Feeder` into the browser bar.

Functions of RSSStandards

The screenshot shows a user interface for selecting RSS feeds. It includes several sections, each with a description and a button to view the feed:

- Blog**: Namespace: (Pages) [Show]
- Recent changes**: Overview of the recent changes in the Wiki [Show]
- Own contributions**: Feed with an overview of your own contributions to the Wiki. [Show]
- Page**: [Show]
- Namespace**: Namespace: (Pages) [Show]
- Category**: Category: BlueSpice [Show]
- Watchlist**: Watchlist: Recent changes of the last 1 days [Watchlist]

Screenshot: Subscribe to some wiki information

Choose the service/information you want to subscribe,

- **Blog**: Subscribe to a [blog](#) in the wiki. Choose a namespace the blog belongs to.
- **Recent changes**: Overview of the recent changes in the Wiki
- **Own contributions**: Feed with an overview of your own contributions to the Wiki.
- A certain **page**: Stay informed about a special article
- **Namespace**: Stay informed about a namespace
- **Category**: Stay informed about a certain category
- **Watchlist**: Get news about changes in articles in your watchlist. Choose a timeframe.

To subscribe to RSS-Feeds click at the button "display" at the right side and copy the URL into your RSS programm. Or choose one of the offered programs. First news are shown below.

Directly with URL

For advanced users: To subscribe to changes in your wiki, add the following in the browser bar:

```
/index.php?title=Spezial:Letzte_%C3%84nderungen&feed=rss
```

So you can integrate the feed in your browser.
