

Manual:Get creative - Working with information

Get creative!

Now that you've come to know your wiki a little better, it's time to get active!

Chapter 2 will show you

- [how to create new articles](#)
- [how to edit existing articles](#)
- [the main functions and differences of the BlueSpice editors](#)
- [how to write a blog in your wiki](#)

And don't worry: it's not that difficult
