What is ExtendedFileList?

Special page listing the files in the Wiki. Simplifies the display and search of images and files.

Where to find ExtendedFileList

The top screenshot shows the 'TestPage' in BlueSpice MediaWiki. The left sidebar contains a list of 'GLOBAL ACTIONS' and 'ADMINISTRATION' options. The 'Extended file list' option is circled in the sidebar. The main content area shows the 'TestPage' title and a brief description of BlueSpice.

The bottom screenshot shows the 'Extended file list' special page. It features a search bar, a 'Select namespace' dropdown, and a table of uploaded files. The table has columns for Thumbnail, Filename, Size, User, Categories, Extension, Upload date, and Description.
