Description

WhoIsOnline you can see, which users have been logged-in in the last 10 minutes.

Usage / Features

- WhoIsOnline displays a list of logged in users.
- In the widgetbar WhoIsOnline is integrated as a widget and contains beside the headline a foldable list with the names of the users. (see sketch)
- As a tag, WhoIsOnline can be installed on any editable page.

Technical information

Configuration

Rights (permissions)

Requirements

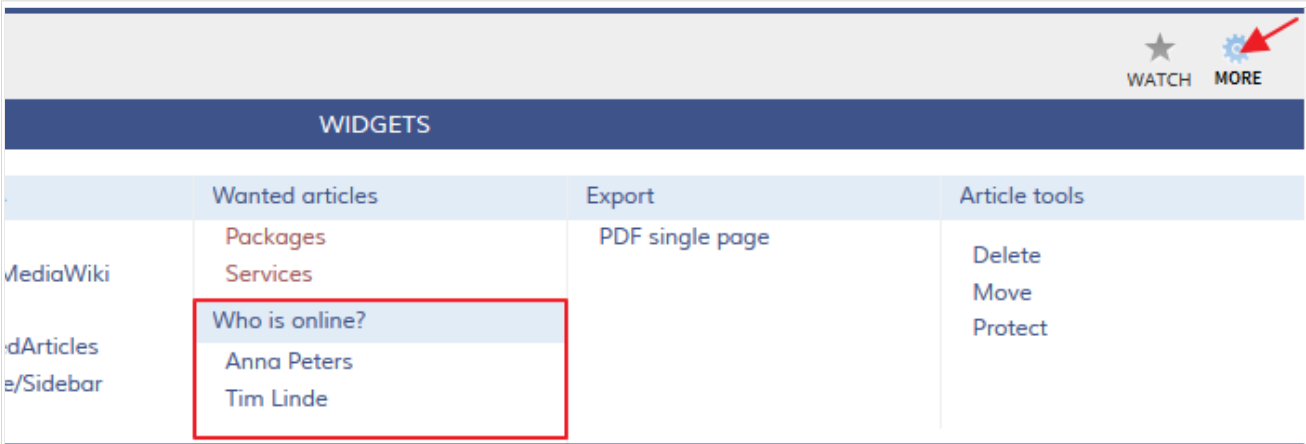

WhoIsOnline requires **BlueSpiceFoundation**.

Widgetbar

If you want to see this information in your **widget bar** please go to `User:USERNAME/Widgetbar` and enter

* WHOISONLINE

Now you find links to all logged-in users in your widget bar.

The screenshot shows the MediaWiki interface with the WidgetBar. The 'Who is online?' widget is highlighted with a red box. The widget displays the names of logged-in users: Anna Peters and Tim Linde. The widget is located in the 'WIDGETS' section of the page. The 'WIDGETS' section is divided into four columns: 'Wanted articles', 'Export', 'Article tools', and 'Who is online?'. The 'Who is online?' column is the only one that is expanded, showing the list of users.

Wanted articles	Export	Article tools	Who is online?
Packages Services	PDF single page	Delete Move Protect	Who is online? Anna Peters Tim Linde

Screenshot: All logged-in users appera in the WidgetBar

Content area

User online:

[who?](#)

Screenshot: All logged-in users are shown in the content.

To use this extension in an article (usually main page) you can show this information with a flyout that is customizable. For example:

```
{{#userslink:(who?)|top:270px;right:300px;background:white;border: 2px solid black;padding:5px;}}
```

Or show all logged-in users in a list:

```
<bs:whoisonline:popup anchortext='Wer ist online?' />
```
