## Description

---

**FormattingHelp** gives the most important information on formatting as you type. It is, however, significantly shorter than the wiki quick reference. FormattingHelp is a MediaWiki extension.

## Usage / Features

---

FormattingHelp shows a help area with the most important formatting rules for the wiki code in the [BlueSpice VisualEditor](#).

## Technical information

---

### Configuration

This extension offers no configurations.

### Rights (permissions)

This extension does not require any special rights.

### Requirements

FormatingHelp requires [BlueSpiceFoundation](#).

### User manual

---

For detailed description and usage, visit our [user manual](#).

## Try free our BluseSpice

---

[BlueSpice Demo](#).
