Description

FormattingHelp gives the most important information on formatting as you type. It is, however, significantly shorter than the wiki quick reference. FormattingHelp is a MediaWiki extension.

Usage / Features

FormattingHelp shows a help area with the most important formatting rules for the wiki code in the [BlueSpice VisualEditor](#).

Technical information

Configuration

This extension offers no configurations.

Rights (permissions)

This extension does not require any special rights.

Requirements

FormatingHelp requires [BlueSpiceFoundation](#).

User manual

For detailed description and usage, visit our [user manual](#).
