

Manual:Functions to enhance your wiki experience

Enhance your wiki experience

What use is the best wiki, when you can't find what you're looking for?

Chapter 3 will show you

- [how to keep order in your wiki](#)
- [how you can use your watchlist to stay informed of changes that may concern you](#)
- [how the version history of an article can help you to keep track of all changes of an article](#)

Keep an overview!
