- [Manual:What is a wiki](#)

Hello and welcome!

This short user manual will give you an **overview** of what you can do with your wiki (and how you can do it, of course...).

Chapter 1 will show you

- [what a wiki is in general \(including a really really short history lesson\)](#)
- [how to login to your wiki and configure your user preferences](#)
- [the basic functions of the user interface, including the search function.](#)

Just click on a link you're interested in, or use the book navigation (in the *Books* tab) on the left to get to the next page!
