PageAssignments

Extension\ BlueSpicePageAssignments

Overview			
Description:	Enables you to assign users or groups to a page		
State:	stable	Dependency:	BlueSpice
Developer:	HalloWelt	License:	GPL-3.0-onlyProperty "BSExtensionInfoLicense" (as page type) with input value "</br>GPL-3.0-only" contains invalid characters or is incomplete and therefore can cause unexpected results during a query or annotation process.
Type:	BlueSpice	Category:	Quality Assurance
Edition:	BlueSpice free, BlueSpice pro, BlueSpice Farm, BlueSpice Cloud		
View help page			

Features

PageAssignments allows to assign pages to single users or user groups. Assigned users are notified about assignment changes via email or internal notifications.

- Assign responsible users to a page.
- Assign individual users or groups.
- The responsible editor(s) for the page can be viewed in the flyout "Page assignments" in the quality management tools.
- Users can view their assignments on the page *Special:PageAssignments*.
- Users with *admin*, *maintenanceadmin* or *reviewer* rights can manage all assignments on the page *Special:ManagePageAssignments*.

Display assignments in the title section

The page assignments can be displayed in the title section of the page. Activate this page assignments display in *LocalSettings.php* (or in the php file in the *d.settings* folder):

```
$GLOBALS['bsgBlueSpiceCalummaPageHeaderBeforeContentEnabledProviders'] = [ "pageheader-assignments" ];
```

Set the limit:

```
$GLOBALS['bsgPageAssignmentsPageHeaderLimit'] = 25;
```

Assign all users (with option to exclude some users)

To activate the option to assign all users to a page, a group *everyone* can be created. For this, the following code needs to be set in `<bluespice-installationpath>/extensions/BlueSpicePageAssignments/extension.json`:

```
"PageAssignmentsActivatedTypes": {  
    "value": [  
        "user",  
        "group",  
        "everyone"  
    ],  
}
```

This allows users to add the group *everyone* to a page assignment. Individual users can be excluded from the assignment by creating the file *MediaWiki:PageAssignments-everyone-blacklist*. Users can be added to this blacklist with using line breaks.

Technical Information

This information applies to BlueSpice 3 . Technical details for BlueSpice cloud can differ in some cases.

Requirements

MediaWiki: 1.31
BlueSpiceFoundation: 3.2

Integrates into

- BlueSpiceExtendedStatistics
- BlueSpicePageAssignments
- BlueSpicePrivacy
- BlueSpiceSMWConnector

Special pages

- ManagePageAssignments
- PageAssignments

Permissions

Name	Description	Role
pageassignable	Appear in the list of assignable users	reader, admin, author, editor, maintenanceadmin, reviewer
pageassignments	Edit the assignments of a page	admin, maintenanceadmin, reviewer

Configuration

Name	Value
PageAssignmentsActivatedTypes	array (0 => 'user', 1 => 'group',)
PageAssignmentsLockdownGroups	array (0 => 'user',)
PageAssignmentsPageHeaderLimit	3
PageAssignmentsSecureEnabledNamespaces	array ()

Name	Value
PageAssignmentsSecureRemoveRightList	array (0 => 'edit',)
PageAssignmentsTarget	'title'
PageAssignmentsUseAdditionalPermissions	false

User options

Name	Value
echo-subscriptions-email-bs-pageassignments-action-cat	true
echo-subscriptions-web-bs-pageassignments-action-cat	true

Page assignments

A [quality version](#) of this page, [approved](#) on *5 May 2021*, was based off this revision.

The extension **PageAssignments** allows users with assignment rights to assign other users to a page.

What are page assignments?

Page assignments are a quick way of giving one or more users informal responsibility and ownership of a page. They are very similar to a [watchlist](#). A user can add a page to their watchlist themselves, but assignments are made by other users.

Page assignments do not change the behavior of the page or grant special rights on a page. For example, the page does not get locked for editing when it is assigned to another user. It is rather a simple mechanism to have users "take a look" at a page. If the feature [Read confirmation](#) is activated for a namespace, assigned users have to confirm with a checkbox on the page that they have read the page.

Characteristics

- **Notifications** are sent to assigned users when their page assignment is changed. (This can be deactivated in the user preferences.)
- **Transparency:** Assigned users are listed in the QM tools panel of the page
- **Assignment management:** ([Special:ManagePageAssignments](#))
- **Quick access** from the user profile menu
- **Read confirmation:** page shows a read confirmation checkbox for assigned users (optional)

Assigning a page

To assign pages to other users, you need the appropriate rights. These are assigned via the roles *reviewer* and *maintenanceadmin*. Although users with *read* permissions can be assigned to a page, they cannot make changes to the page.

To assign a user or a group to a page:

1. **Click** on *Page assignments* in the *Quality management* toolbar.
2. **Type** a user or group name in the assignments text box. You will get automatic suggestions based on your entry.
3. **Click** the *Add* button.
4. **Add** more users or groups (optional).

Assignment management

Users with assignment rights can see a list of all pages that have assignments. This page (*Special:ManagePageAssignments*) can be loaded from the navigation menu under *Global actions* > *Management* > *Assignment management*

Secured page assignments

In the [namespace manager](#) you can configure that page assignments are secured. If a page is created in such a namespace, the page is only editable for users that are assigned to this page. This means that every new page should be created by a user with *reviewer* or admin *rights*, because only these roles have the necessary rights to make the assignment. If a page is created in this namespace by a user with *edit* rights, this page cannot be edited further by this user, unless he/she is assigned by a to the page.

My assignments

Every user can view the pages they are assigned to by clicking on "Assignments" in their personal menu (by clicking on their image in the upper right corner).
