View help page			

Features

BlueSpiceArticleInfo provides meta information on a particular page.

The most important information, like the time of the last edit and user who last edited the page, is displayed directly in the view mode of a page.

The information related to the page is shown in a flyout and are accessible from the [page tools](#).

The following information is included:

- Time of the last edit

- Last editor
- Number of views
- Categories the page
- Templates used on the page
- Subpages of a page (visible only when the page actually has subpages)
