## Features

**BlueSpiceMultiUpload** enables users to seamlessly upload multiple files to the wiki. By clicking on the *Upload file* link in the main navigation, the operating system's upload dialog opens. Multiple files can be selected.

After confirming the selection of files, a wiki upload dialog appears. Here, it is possible to add additional data such as:

- the namespace to upload to,
- category to attach to the files, and
- file descriptions.

All settings are optional.
