Reference:ConfirmAccount

Extension\ ConfirmAccount

Overview			
Description:	Requires submission and approval of accounts.		
State:	stable	Dependency:	MediaWiki
Developer:	Aaron Schulz	License:	GPL v2+
Type:	MediaWiki	Category:	Administration
Edition:	BlueSpice Cloud		
For more info, visit Mediawiki .			

Features

The **ConfirmAccount** extension disables direct account creation and requires the approval of new accounts by a bureaucrat.

Direct account creation can still be enabled (if you want [Administrators/Bureaucrats](#) to be able to directly make them) by configuring [User rights](#).

GPL v2+
