

## Template:Filename

**Note:** When uploading a new file, you should check the file/page name for unusual special characters (e.g., `"`, `%`, `/`, `<`, `>`, `[`, `]`, `{`, `}`). Change the name to include only standard characters, since the server file system could have problems with them or since some characters have special meanings in MediaWiki. The special characters `(`, `)`, `&`, `+` can be used and are translated into their equivalent %-hex notation.
