BlueSpice Layout

Your wiki is divided into several unique areas that group the features of the wiki in a meaningful way. Here we give you an overview so that you can easily find the functionality that you are looking for.

Note: Some features are disabled by default in your wiki or only visible to specific user groups such as administrators.

Layout area	Description
1- Custom menu	A wiki administrator can create custom navigation to pages inside and outside the wiki.
2- Main toolbar	Contains important elements such as the logo area, the search field and access to the user profile.
3- Navigation	The "heart" of the page organization. From here, users can access all pages, depending on their permissions. Many navigation elements can be customized.
4- Content area	Here you create and edit all wiki content. Discussions are also located in this space.
5- Page tools	Powerful page management features. This includes important tools for the quality management of a page.
